

NEWSLETTER / EXPECT MORE

Especially in challenging times, as it currently represents the refugee situation in Europe, it is important to exchange views. In order not to have to reinvent the wheel, the project EXPECT MORE was launched.

EXPECT MORE - Exchange of practices for education and training models for members of refugee communities in Europe

Kick-off meeting in Graz, September 2016

The project is a cooperation of 6 European countries that find, evaluate and cross-border exchange of good practice examples in the following areas:

- a) Guidance and Counseling
- b) C-VET programs
- c) Labor market integration and workplace based learning

The results from Guidance and Counseling are already published on the website.
